## NOTICE OF SHAREHOLDERS' RIGHTS TO RECEIVE DOCUMENTS

Autosports Group Limited (**Autosports Group**) is focused on communicating with shareholders in a way that minimises our carbon footprint. As a result, Autosports Group will no longer be sending physical meeting documents such as notice of meetings and other meeting documents unless you request a copy to be posted.

Therefore, if you have not already done so, we encourage all shareholders to provide an email address so we can communicate with you electronically when shareholder notices become available online for items such as meeting documents and annual reports.

Recent legislative changes to the Corporations Act 2001 (Cth) means there are new options to Autosports Group's shareholders as to how you receive communications from us.

Shareholders can still elect to receive some or all of their communications in physical or electronic form or elect not to receive certain documents such as annual reports. To review your communications preferences or sign up to receive your shareholder communications via email, simply login to the [Link Investor Centre](http://investorcentre.linkmarketservices.com.au) ([investorcentre.linkmarketservices.com.au](http://investorcentre.linkmarketservices.com.au)) and select the 'Communications' menu, and then 'Preferences' to review your current communication election and update if required.

You can also tell us your preference by contacting Link on 1300 554 474 (within Australia) or +61 1300 368 664 (outside Australia) or via email to [registrars@linkmarketservices.com.au](mailto:registrars@linkmarketservices.com.au).
